	Asset-Based Lending	
	Payment Incentives	
	Inventory and Trading Partner Relationships	
	Fixed Asset Leasing	
	Action Steps	
	Mini-Case: Continental Chemical Company	
	Review Questions	
5	Income Statement Reengineering	65
	Cash on the Income Statement	

- Present Value Analysis
 - Net Present Value
 - Internal Rate of Return
 - Marginal Cost of Capital
 - Present Value Limitations
- Cashflow Reengineering Profitability Analysis
 - Present Value and Profitability
 - Manufacturing Company Profitability Elements
 - Profitability Analysis Outcomes
- Cashflow Documentation and Analysis
- Activity-Based Costing
- Action Steps
- Mini-Case: We Are Computers Company
- Review Questions

6 Collection Activities 83

- Reengineering Collection Activities
- Invoice Generation
 - Improved Invoice Design
 - Timing of the Invoice
- Practices in Cash Collections
 - Post Office Float
 - Collection Float
 - Processing Float
 - Control Issues
 - Deposit Bank Issues
- Types of Lockbox Operations
 - Wholesale Lockbox Networks
 - Retail Lockbox
 - Image Capture Lockbox Technologies
- Electronic Collection Services
- Cost Analysis of Internal Processing and Outsourcing
- Action Steps
- Mini-Case: Royal Electronics
- Review Questions

7 Disbursement Activities 99

- Purchasing and Payables Issues
 - Year 2000 Concerns
- Practices in Accounts Payable
- Reengineering the Payables Function
 - Multiple Vendors
 - Phony Vendors
 - Pay Date versus Due Date
 - Review of Invoices
- Controlled Disbursement
- Account Reconciliation

Practices in Payroll Disbursement	
Procurement Cards	
Comprehensive Payables	
Cost Analysis of Internal Processing and Outsourcing	
Action Steps	
Mini-Case: Green Earth Corporation	
Review Questions	
8 Concentration Activities	119
Concentration Mechanisms	
Balance Management	
The Banker Visit	
The Daily Cash Position	
The Cash Forecasting Process	
Cyclical Forecasts	
Seasonal Forecasts	
Daily Forecasts	
Bank Compensation Issues	
Sweep Accounts	
Investment Management and Advisory Services	
Cost Analysis of Internal Processing and Outsourcing	
Action Steps	
Mini-Case: Amalgamated Foods	
Review Questions	
9 The Outsourcing Alternative	137
Why Outsource?	
The Request-for-Information	
The Request-for-Proposal	
Evaluation of the Proposals	
Action Steps	
Mini-Case: An RFP Case	
Review Questions	
10 Reengineering the Role of the Treasurer	153
OPQR Problems and Solutions	
The O Problem: Organizational Performance	
The P Problem: Process	
The Q Problem: Quantification	
The R Solution: Reengineering	
Quantifying the R Solution	

Expanding the Responsibilities of Treasury Managers

Legislative Reform

Product Innovation

Sales Financing

International Treasury Management

Cash Security and Control

Information Security and Control

Prospects for Internal Improvements and Outsourcing

Prospects for the Organization

Action Steps

Mini-Case: The Power Company
